MEMORANDUM FOR: Special Assistant to the Director
for Planning and Development

THROUGH : Deputy Director, DPS/DCI (wb)
SUBJECT : Film Storage Facilities

1. For your information, it is planned to move Project film presently stored at Rome Air Force Depot (Griffis AFB) New York to [redacted] sometime in September 1958.

2. The purpose of this move is to consolidate Project stocks under the supervision of Project cleared personnel, to assure priority handling to fulfill requirements and to provide adequate storage facilities, i.e. Temperature and Humidity control, which this Project has not had due to limited facilities at Rome.

3. The facilities at [redacted] were projected to provide adequate space to accommodate storage of Project stocks of aerial roll film.

4. Mr. Ed Green, Eastman-Kodak, has been informed of the projected move and will hold subsequent shipments of aerial film pending notification of completed arrangements.

5. A member of my staff, [redacted], is ferrying cargo to [redacted] during the week of 25 August and at this time he will discuss with [redacted] all aspects to facilitate an expeditious move from Rome to [redacted] and subsequent shipments from production.
